Your GUIDE to LIFE
at BUFFALO STATE
YOU LOVE...

STATELY BRICK BUILDINGS AND CLASSIC TREE-LINED QUADS, CLASSMATES AND FRIENDS WHO ARE TRENDSETTERS AND TRAILBLAZERS, SMALL CLASS SIZES AND PROFESSORS WHO KNOW YOUR NAME, THE LATEST, GREATEST, MOST TECHNOLOGICALLY ADVANCED CLASSROOMS...

AND YOU WANT IT AT A FRACTION OF THE COST OF OTHER COLLEGES.

YOU’LL FIND IT ALL RIGHT HERE AT BUFFALO STATE!
Dear Prospective Student,

Thank you for your interest in Buffalo State, the largest comprehensive college in the State University of New York (SUNY) system.

We think you will find that Buffalo State offers THE PERFECT BLEND of small college learning environments and large university opportunities, all at an affordable price. Our caring professors and staff will know you by name and help you reach your goals. At the same time, you will have the chance to engage in A HUGE SELECTION of academic and social activities from your first day on campus—and the support to find a fulfilling career upon graduation.

At Buffalo State, there’s no need to wait to PURSUE YOUR PASSIONS! And that’s why it may be just right for you.

Katherine Conway-Turner, President
There are A LOT OF GREAT REASONS to choose Buffalo State, but as you compare us with other institutions during your college search, here are a few points that really set us apart.

1. You’ll Learn from Faculty Who Prioritize Teaching.
While our faculty members are well known for their research and professional practice in their fields, classroom teaching remains their top priority. Not all universities can say that. At Buffalo State, you’ll be taught by teachers, not teaching assistants.

2. You’ll Be Immersed in a Diverse and Creative Environment.
We’ve been called SUNY’s flagship for diversity. Our students come from all backgrounds and walks of life—and they bring a creative edge that gives our campus a unique vibe. If you’re looking for a campus where everyone doesn’t look and think exactly like you, you’ll love Buffalo State!

Buffalo State prides itself on providing undergraduates with the opportunities and resources to conduct major research, study abroad, intern at top companies, and volunteer to make a difference in the community. No need to wait at Buffalo State! You can take advantage of these opportunities right away and set yourself on the path to career success.

4. You’ll Be Inspired by Our Location in Buffalo’s Cultural Corridor.
View Picassos, van Goghs, and Warhols across the street at the Albright-Knox Art Gallery. Jog around beautiful Hoyt Lake in Delaware Park. Dine and shop in the trendy Elmwood Village. Take a short Metro ride to a Sabres hockey game. There’s nothing like the excitement of city living—and Buffalo State is in the perfect location to enjoy all that New York’s second-largest city has to offer.

Buffalo State has so much to offer, and everything we do is geared toward your success. When you become a Bengal, you’ll be READY TO ROAR!
AT BUFFALO STATE, WE MAJOR IN YOU.

Whatever your area of interest, we have a high-quality program to fit your needs. With more than 170 UNDERGRADUATE MAJORS AND MINORS to choose from, we offer more academic programs than any other SUNY comprehensive college.

Best of all, Buffalo State’s SMALL CLASS SIZES—nearly 90 percent of all classes have fewer than 40 students—allow our professors to KNOW YOU BY NAME. It’s no wonder the Middle States Association of Colleges and Schools called Buffalo State’s faculty a “major source of excellence.”

Did You Know?
Buffalo State’s science, technology, engineering, and mathematics (STEM) programs have emerged as major players in grant-funded research. Faculty and students in these disciplines have received grants from the National Science Foundation, the U.S. Environmental Protection Agency, NASA, and others.
High-Quality and Distinctive Academic Programs

Arts and Humanities

From the stage to the classroom, the School of Arts and Humanities programs instill a foundation of critical thinking, artistic inventiveness, and cultural awareness that lasts a lifetime. These invaluable skills serve our graduates well in career fields that are as vast and varied as our course selection.

Education

The School of Education has a distinguished history—dating back to 1871—of preparing leaders and educators to excel in a wide range of classroom settings. Students learn through a strong, diverse on-campus curriculum, as well as through direct student-teacher experiences at more than 40 collaborating schools in the area.

Natural and Social Sciences

Programs in the School of Natural and Social Sciences help students develop skills in analytical thinking, quantitative methods, problem solving, critical thinking, and effective communication. Students are taught to use the facts, concepts, and principles learned in the field and in the classroom for practical application.

Professions

The School of the Professions educates future professionals to lead within diverse settings and participate in the community through partnerships. The school prepares graduates for productive and successful careers in a global society.

University College

Starting college is incredibly exciting. It can also be a little scary. That’s why Buffalo State created University College. As the academic home for Buffalo State’s first-year and undeclared students, University College will make sure that your transition is successful. Our friendly staff is ready to answer your questions, connect you to necessary services, and help you get involved in the campus community. Whether it’s discussing your academic and personal goals or helping you choose a major and the right courses, University College is here for you.
Buffalo State offers more than 170 MAJORS AND MINORS.

For detailed information on academic programs, visit suny.buffalostate.edu/academics.

Muriel A. Howard Honors Program.

Each year, about 200 students are invited to participate in Buffalo State’s Muriel A. Howard Honors Program. This academically challenging opportunity is open to outstanding, intellectually committed undergraduate students. The honors program helps prepare students for Fulbright, Marshall, and other scholarships; entry into top-notch professional and graduate schools; and successful careers.

Unique Programs.

Buffalo State offers a number of undergraduate programs that can’t be found at any other SUNY school, including communication design, fashion and textile technology, fibers, forensic chemistry, metals/jewelry, and wood/furniture.
HANDS-ON LEARNING & RESEARCH

ACADEMIC ACTIVITIES
BUFFALO STATE STUDENTS LOVE TO APPLY WHAT THEY LEARN IN THE CLASSROOM TO THE REAL WORLD. AND BUFFALO STATE OFFERS LIMITLESS OPPORTUNITIES—FROM INTERNSHIPS AND IN-DEPTH RESEARCH TO SERVICE LEARNING AND STUDY ABROAD—TO TURN IDEAS INTO ACTION.

Whether it’s student teaching at one of the 40 collaborating schools in the region, conducting biology research on a fleet of ships at the Great Lakes Center, exploring painting or sculpture at the on-campus Burchfield Penney Art Center, or studying business in Amsterdam, YOU WILL LEARN BY DOING AT BUFFALO STATE.
At many universities, research means two things: graduate students and science. Buffalo State is different. Our Undergraduate Research Office provides the resources for UNDERGRADUATE STUDENTS—OF ALL MAJORS AND ALL CLASS YEARS—TO CONDUCT IMPORTANT FACULTY-MENTORED RESEARCH.

As a nationally recognized leader in undergraduate research, Buffalo State invests substantial financial resources in faculty-mentored undergraduate research opportunities. The Undergraduate Research Office promotes, supports, and funds undergraduate research in all academic areas—from the sciences to the arts—and for all committed students. More than 400 students present their research through posters and performances each year at the Student Research and Creativity Celebration. They also compete for Undergraduate Summer Research Fellowships, which support eight weeks of paid research activity.

At many universities, research means two things: graduate students and science. Buffalo State is different. Our Undergraduate Research Office provides the resources for UNDERGRADUATE STUDENTS—OF ALL MAJORS AND ALL CLASS YEARS—TO CONDUCT IMPORTANT FACULTY-MENTORED RESEARCH.

Buffalo State’s International Education Office coordinates international study programs in Australia, Canada, England, the Netherlands, Puerto Rico, and Spain as well as the venerable Siena (Italy) Program, SUNY’s first study-abroad program. Students may also choose from programs in more than 60 countries through Buffalo State and SUNY international education partnerships. In addition, Buffalo State professors often lead short-term international-study programs relating to specific areas of research.

Buffalo State teacher candidates recently traveled to Lusaka, Zambia, to work at an international professional development school site. Through observation and cultural exchange, the teacher candidates were able to see firsthand how the Zambian school system works. Read students’ blogs at http://zambiapdsatbsedu.wordpress.com.
From the day you arrive on campus, Buffalo State’s award-winning Career Development Center is ready to prepare you for your eventual career. The center provides guidance on choosing a major to fit your career interests and matches students and alumni with volunteer and internship opportunities. It also provides assistance with cover letters, résumés, and interviewing skills; publicizes the most up-to-date job listings; connects employers with prospective job applicants; offers advice and preparation for applying to graduate schools; and much more.

The Volunteer and Service-Learning Center creates long-term, meaningful partnerships with community agencies through service learning, volunteering, and other experiential opportunities for students, including Alternative Break, the Community Service Peer Leader Program, Community Service Days, Volunteer Fair, and Monthly Service Corps.

Buffalo State’s Community Academic Center, located on Grant Street near campus, provides cradle-to-career educational support programming for youth and families on Buffalo’s West Side. Offerings range from outside-of-school-time enrichment to instruction for newcomer refugee youth and parents. Buffalo State students play a major role in providing these much-needed services.
Buffalo State has invested nearly $350 MILLION in major projects and improvements to campus during the past eight years. Now is the perfect time to enjoy this stunning array of STATE-OF-THE-ART FACILITIES AND SPACES:

- The renovated Student Union Plaza features contemporary walking paths, expanded outdoor seating, enhanced lighting, and additional green space in the heart of campus.

- The new Student Apartment Complex features four-bedroom apartments with single bedrooms, a full kitchen, and a living area—the ultimate in on-campus living.

- The new Technology Building features green design with smart classrooms, research spaces, student computer labs, and a vegetated roof.

- The new Science and Mathematics Complex provides modern research and teaching facilities under a signature multi-story glass atrium (page 14).

- The renovated Rockwell Hall provides the Music and Art Conservation departments with state-of-the-art facilities, including a new recital hall overlooking the nearby Albright-Knox Art Gallery.

- The renovation of the four Scajaquada Tower student residences (ongoing) provides state-of-the-art student suites and public spaces.

- The renovation of Houston Gym provides contemporary facilities for all Buffalo State athletics and fitness programs.
THE BEST TIME OF YOUR LIFE
Whether you’re into the arts or athletics, science or spirituality, you’ll find other Buffalo State students who SHARE YOUR PASSION. And that leads to friendships and memories that last a lifetime. In fact, it will lead to some of the best and most fun times of your life! A large part of the college experience really does happen outside the classroom. Buffalo State offers MORE THAN 100 DIVERSE STUDENT ORGANIZATIONS, so get involved.

Greek Life.
Buffalo State has 22 recognized Greek fraternity and sorority chapters. Each chapter is committed to the principles of the Greek community: scholarship and learning, community service and philanthropy, leadership, and brotherhood and sisterhood.
The Buffalo State Bengals compete in NCAA Division III athletics as a member of the State University of New York Athletic Conference (SUNYAC). Our student-athletes boast a long-standing record of success on the fields of play and in the classroom. They also enjoy playing in our world-class athletics facilities, which are located right on campus. The 3,500-seat Sports Arena has hosted the World University Games and the NCAA Division III Men’s Basketball Final Four, while the 1,800-seat Ice Arena serves as a practice facility for the National Hockey League’s Buffalo Sabres.

Men’s Sports
- Basketball
- Cross-Country
- Football
- Ice Hockey

Recreation & Intramurals

Even if you’re not an NCAA athlete, Buffalo State offers plenty of activities to keep you fit and active. Our recreation and intramurals program continuously develops new programs for students. Whether it’s a fitness class in Houston Gym, swimming in Kissinger pool, open skating at the Ice Arena, or co-ed intramural softball on Bengal Field, we have you covered.

Life-Changing Events
The Anne Frank Project (AFP), an on-campus conference celebrating the life and wisdom of Anne Frank, has quickly become an international showcase for diversity and creativity. The annual event includes workshops, panel discussions, performances, and lectures by internationally recognized figures—drawing more than 4,000 participants to campus each year. From its inception, the program has been driven by students, and students continue to make it the life-changing event that it is today. The enduring popularity and growth of the AFP demonstrates its relevance to new audiences of all ages.
STEPS AWAY FROM EVERYTHING
Imagine the convenience of living on campus and living in one of Buffalo’s most vibrant, walkable neighborhoods. **YOU’RE JUST STEPS TO CLASS, STEPS TO THE CAMPUS FITNESS CENTER and other amenities, and STEPS TO DINING AND SHOPPING** in the Elmwood Village. It’s the best of both worlds. It’s the best of college living. And it’s right here at Buffalo State!

More than 2,000 students live on campus in 11 corridor-, suite-, and apartment-style campus residence halls. Most residence halls are within a **FIVE-MINUTE WALK** of classrooms.
You’ll find a variety of housing options to fit your needs. Some halls house first-year students, some are reserved for upper-division students, and others house a mix of students. We also offer specialty housing for specific groups and interests.

**First-Year Student Living**
Cassety Hall | Neumann Hall | Perry Hall | Porter Hall

**Upper-Classman Areas**
North Wing | Towers 1, 2, 3, 4

**Apartment Areas**
Moore Complex | Student Apartment Complex (STAC)

---

**STUDY**

A Learning Community at Buffalo State is a group of students who study a common theme and combine their academic work with residence hall living. Each Learning Community has dedicated residence hall space that includes a lounge, kitchen, computer lab, and office. Commuter students have access to the residence hall during certain hours and can consider it a “home away from home.” Learning Communities are open to all students who want to get the most out of the Buffalo State experience.

---

succeed + move + achieve + relate + travel
Buffalo State’s Resident Dining Hall in the Campbell Student Union is a popular setting for students to come together and enjoy a meal as well as social activities.

The Retail Food Court is designed as a market featuring dining and seating on three levels.

Around campus, we offer unique, quick-serve food and beverage options in various college buildings. And Bengal Bucks (Buffalo State’s own food currency) are accepted at a number of local restaurants and supermarkets.

**EAT**

{PARENT POINT} We know that living away from home for the first time can be a significant transition. That’s why two specially trained FIRST-YEAR MENTORS reside on each floor of every first-year hall. These mentors are prepared and ready to help your student adjust to college life.

---

**Retail Food Court Favorites**
- Train Grill
- Chop’d
- Salsarita’s
- Subway
- Spot Coffee
- Bengal Creamery
- The Chicken Spot
- Jamba Juice
- 2.Mato

**Food around Campus**
- Lloyd Taco Truck
- Café Oh-Lé (Science Building)
- Choc-o-late (Technology Building)
- Argo Tea (Butler Library)
FEEL THE BUFFALOVE
Buffalo State’s beautiful 125-acre campus is located between the hip Elmwood Village and the 350-acre Delaware Park, Buffalo’s version of Central Park. We are in the heart of a vibrant museum district, surrounded by magnificent green spaces, trendy cafés, restaurants, and shops. As a Buffalo State student, you can enjoy all the advantages of living in New York State’s second-largest metropolitan area.

You’ll also have access to fun. Downtown Buffalo, which is undergoing a magnificent renaissance, features concerts at Canalside, national touring productions at Shea’s Performing Arts Center, Bisons baseball at Coca-Cola Field, Sabres hockey at First Niagara Center, and nightlife on Chippewa Street. Suburban Orchard Park, a 20-minute drive, is the home of Bills football; Niagara Falls—one of the world’s most visited natural wonders—is a half hour away; and cosmopolitan Toronto, Canada’s largest city, is about a two-hour drive from campus.
A SMART INVESTMENT.

### Scholarships.
Buffalo State offers a wide array of financial aid and scholarship opportunities. Three out of four students at Buffalo State receive some form of financial aid, whether it’s an award based on achievement or need, a special scholarship for their major, or one of the numerous scholarships, grants, and loan programs that are available.

### ‘Roar in Four’ Guarantee.
Buffalo State’s new completion initiative, Roar in 4, guarantees that incoming full-time freshmen will be able to take the courses they need to complete a bachelor’s degree within four years. If a major course is not available during a student’s fourth year of attendance—and the student has met all aspects of the Roar in 4 pledge—Buffalo State will cover tuition of the course the following academic year, or make accommodations to allow the student to complete the course in the fourth year through independent study, course by contract, or substitution with a comparable course as determined by the major department.

At Buffalo State, YOU’LL HAVE ACCESS TO A TOP-CALIBER EDUCATION that includes small class sizes, personalized attention, and high-quality academics—AT A FRACTION OF THE COST CHARGED by private institutions.

As part of the SUNY system, Buffalo State is an extraordinary value. According to the College Board, the average tuition and fees at a four-year private college are $32,405 per year. In comparison, Buffalo State costs $7,701 for tuition and fees per year, making it one of the most affordable colleges—public or private—in the state of New York.

And when you graduate, you’ll have one of the most marketable degrees in the nation. A DEGREE FROM THE STATE UNIVERSITY OF NEW YORK HAS INSTANT CREDIBILITY WHEREVER YOU GO.

### Costs: Fall 2016 and Spring 2017

Worth Noting
In addition to 2,000 residential students, Buffalo State has more than 1,500 students living within two miles of campus. Each year, more than 1,000 students participate in internships with local businesses and nonprofit agencies, exposing them to job opportunities and strengthening the college-community partnership.

Accreditations
Buffalo State is accredited by the Commission on Higher Education of the Middle States Association of Colleges and Schools, 3624 Market Street, Philadelphia, PA 19104, (215) 662-5606. The Commission on Higher Education is an institutional accrediting agency recognized by the U.S. secretary of education and the Commission on Recognition of Postsecondary Accreditation. Buffalo State is also accredited by the Board of Regents, University of the State of New York.
SEE FOR YOURSELF.

The best way to learn about life at Buffalo State is to EXPERIENCE IT in person! We have many visit options for you to choose from.

**Open Houses.** Offered in fall and spring, Open Houses include full campus tours, informational presentations, and opportunities to meet professors and students.

**Campus Tours.** Offered Monday through Friday throughout the year (with a few exceptions), campus tours provide an overview of campus in about an hour.

**Information Sessions and Tours.** To learn even more about Buffalo State, join us for an admissions information session and campus tour on select Fridays and Saturdays throughout the academic year.

**Reservations.** Reservations are required for open houses and campus tours. To reserve your spot at an upcoming Open House or to schedule a campus tour, visit admissions.buffalostate.edu/visit or call Admissions at (716) 878-5713.

**Can’t Make It to Campus?** Get a glimpse of campus right now by taking an online tour at suny.buffalostate.edu/tour#virtualtour.
APPLYING.

First-Time Freshmen
We look for a broad, balanced high school education that includes study in English, mathematics, science, a language other than English, and social studies and an acceptable score on either the SAT or the ACT assessment. Buffalo State considers additional information about your interests and activities, and allows you to submit a personal statement or essay as part of the application process. First-time freshmen should send their high school transcripts, standardized test scores, and required supplemental materials to the Buffalo State Admissions Office.

Transfer Students
We look for a GPA of at least 2.0 (4.0 scale) to be considered for admission to the college. Your major may have additional requirements.

Transfer Credit Policy
We accept a maximum of 88 credits from other regionally accredited four-year colleges, 66 credits from two-year colleges, and 15 credits from proprietary institutions. If you transfer to Buffalo State with 60 or more credits, you must apply to a specific program; with fewer than 60 credits, you may apply as an undeclared major. Visit the “Transfer Students” section at admissions.buffalostate.edu/transfer for more information. Transfer students should forward their official college and high school transcripts to the Buffalo State Admissions Office.

Dual Admission
If you participated in the dual admission program at Erie Community College, Finger Lakes Community College, Genesee Community College, Jamestown Community College, Monroe Community College, or Niagara County Community College, you can transfer to Buffalo State without completing a separate application after you earn an associate’s degree. For more information, contact your community college’s transfer counselor or a Buffalo State admissions counselor.

International Students
You’re welcome at Buffalo State. The North Wing Residence Hall is a year-round global living center where students from around the world live with exchange students, honors students, and students with an interest in international issues. For more information, please visit admissions.buffalostate.edu and click on “International Students.”

Deadlines: If you want to start in the fall semester (beginning in August), make sure we have your completed application by June 1. If you want to start in the spring semester (beginning in January), make sure we have your completed application by November 1.

How to Apply
Complete and submit the application and fee online at admissions.buffalostate.edu/apply.

Application Dates
Applicants are reviewed on a rolling basis, with the first round of decisions going out in November for the fall semester.

Educational Opportunity Program (EOP)
The Educational Opportunity Program (EOP) helps students with potential who may not otherwise qualify for admission to the college. To be considered, you must:
• be a New York State resident for 12 months before enrollment;
• have a recognized high school diploma or high school equivalency diploma (GED)/TASC;
• be able to demonstrate potential for success through recommendations, letters, essays, or other supplemental information;
• have a low income. SUNY income guidelines for EOP can be found at www.suny.edu/student/search_programs/eop.

If you think you may be eligible for EOP, answer “yes” to the question on the application. The application fee is waived for those eligible for admission to EOP. If you are found to be ineligible for admission to EOP, you will be billed for the fee. You may still qualify for admission and financial aid as a general candidate.

Financial Aid
Complete the Free Application for Federal Student Aid (FAFSA) form as soon after October 1 as possible. The form is found at www.fafsa.gov. Requests for financial aid do not affect admission decisions.

Tuition Deposit
Tuition deposits for fall freshmen must be postmarked by May 1. You should make a tuition deposit at only one college. In most cases, deposits are refundable until May 1.

Buffalo State is an affirmative action/equal opportunity institution that subscribes to all federal, state, and SUNY legal requirements and does not discriminate against applicants, students, or employees on the basis of race, sex, ethnicity, national origin, sexual orientation, gender identity, religion, age, disability, or marital or veteran status. Any violation of this policy should be reported to the Equity and Campus Diversity Office, Cleveland Hall 415, (716) 878-6210. It is the policy of Buffalo State that no otherwise qualified person with a disability shall, solely by reason of the disability, be excluded from participation in employment or access to programs of the college.

In compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, prospective students may request a copy of the Annual Security Report by contacting the SUNY Buffalo State University Police Department at (716) 878-6333. The report can also be accessed at http://police.buffalostate.edu.
