Between
The Center for International Education, The National Management School,
Center of Broward College
And
SUNY Buffalo State College

This agreement establishes an agreement between The Center for International Education, The National Management School, Center of Broward College (Center of Broward College) and SUNY Buffalo State College. Matriculating students will, upon completion of the prescribed sequence of courses leading to an Associate's degree from Center of Broward College, immediately continue their studies in a parallel Baccalaureate program at SUNY Buffalo State College with the understanding that they will be given the opportunity to complete all requirements in four semesters of full-time study (15 credit hours per semester) at SUNY Buffalo State College unless otherwise specified by the program of study (see Appendix 1). This assumes the completion of the required credit hours, required grade point average (GPA), and required pre-requisite courses. Information regarding articulation agreements and a list of Center of Broward College's major programs and corresponding SUNY Buffalo State College programs can be found at <http://admissions.buffalostate.edu/transfer>.

Section I Application/Admissions Requirements

Students must file a SUNY application <https://www.suny.edu/applysuny/> by February 1st for the summer and fall terms; and by October 1st for the spring term. They must indicate on the application that they expect to receive an A.A./A.S. degree prior to enrollment to SUNY Buffalo State College.

An official copy of the student's transcript from Center of Broward College will be submitted to SUNY Buffalo State College Office of Admissions showing at least the equivalent of three semester of completed study including pre-requisite courses required for entry into the major and the overall grade point average (g.p.a.). Additionally, the student will provide official transcripts from all previous colleges, documentation of advanced credit, an official high school transcript, and/or

other supplemental application material to SUNY Buffalo State College as requested.

Admission requirements into the major must be completed and present on the transcript from Center of Broward College at the time the student files a SUNY application. Some majors require a GPA higher than 2.0 for entry into the major. Major course requirements for the bachelor's degree will be those in effect at the time the student formally registers at SUNY Buffalo State College.

Section II Student Academic Advisement

Center of Broward College will assume responsibility for coordinating advisement for students who participate in the articulation agreement. All admissions, pre-requisites, and major course requirements are listed under the respective program in the college catalog: <http://catalog.buffalostate.edu/undergraduate/>. Additional information for international transfer students can be found at <http://admissions.buffalostate.edu/international>.

Programs will be reviewed upon request. Appropriate revisions will be made if either institution adds, deletes, or changes course offerings and/or programs.

New students are strongly encouraged to contact the department of their intended major at SUNY Buffalo State College prior to registration for their first full-time semester.

Section III General Education Requirements

Students who intend to transfer to SUNY Buffalo State College with an A.A. or A.S. degree, will be considered as having fulfilled general education/Intellectual Foundations as long as they complete the 30 credits and 7 of 10 areas of SUNY-GER requirements prior to the start of their studies at SUNY Buffalo State College. Students should have successfully completed the SUNY-GER Basic Communication requirement with a grade of "C" or better, the mathematics requirement, and 5 of the remaining 8 categories.
